

How Your Contributions Help Our Kids at Clarkdale-Jerome School

Now you have an opportunity to make certain that your money goes directly to educational programs that will benefit children in Clarkdale and Jerome.

All contributions go into C. J. Kids' Credit Fund to support extra curricular and educational programs.

How is the money used?

Odyssey of the Mind,
Field trips, sports activities, sporting equipment, music, science and technology exploration, nature studies, art, ...

How it Works

Example: If John and Jane Doe¹ contribute \$400 to the District for support of extra curricular activities (without specifying the contribution for any particular student), and John and Jane Doe are in the 28% tax bracket having itemized deduction, they would save \$512 on their Federal and State tax returns for this year. That's right; you can save \$512 in taxes for a \$400 contribution to Clarkdale-Jerome School!

State tax savings-	\$400
Federal Tax savings (Charitable Contribution of \$400 at 28%)	\$112
Total tax savings	\$512
Amount contributed	\$400

Reduce your tax bill & keep your dollars in **Clarkdale and Jerome**, working for your children and your neighbor's kids.

¹ Married filing joint return, single is still \$200

Now make your donation using
Paypal or credit card

Please visit our school website
