Agenda and Minutes

(The agenda is printed in black and minutes are printed in red)

1) Welcome

Present: LaMonica Claw, Lisa Sandoval, Beth Bustya, Jennifer Shilling, Steve Doerksen

2) Update on the Native American Club (Lisa Sandoval)

Lisa Sandoval gave an update on all of the activities that were going on in the 5-8th grade Native American Club, including art, trips to the park, and the recent horseback riding. We want to do another activity prior to the Christmas break that will include the younger Native American students as well.

3) Surveys

While there were no returns on the recent parent/community survey, Steve Doerksen did share the returns from the surveys of the Native American Club. 10 students surveys and 2 parent surveys were returned. In all, the results were positive.

4) COVID Update

Steve Doerksen shared how the number of cases were increasing in yavapai county and how some schools were closing in the Prescott area. This may be an item for discussion at the next school board meeting on December 8, 2020.

5) Review of the NAEC Policies and Procedures

It was decided that the meeting invitations and other correspondence mentioned in the Indian Policies and Procedures could be delivered via email as opposed to the U.S. Mail. This is because the school has emails stored in the student data system. Furthermore, it was mentioned that sending the invitations via U.S. Mail did not improve the attendance at the meetings. Therefore, the Committee recommends that change.
