- **Attendance rate**
- **Academic achievement**
- **School readiness**
- **Cultural awareness**
- **Support for at-risk students**

3) 2021-2022 Title VI Program and Budget - Discussion

Steve Doerksen went over next year's program and budget and took feedback from the committee. There is a new Title VI program that does not convert to a PDF as easily, so Steve will email key sections for the public hearing that will be on May 5th. There was much discussion on having a special activity at the beginning of the school year, where the Native American students could meet together and get school backpacks and other supplies for the start of the year. Furthermore, Lisa Sandoval was interested in how many Native American students are attending after-school tutoring in Mr. Kennen's and Mr. Islas' classes that have been designated by Title VI funding. Steve will look into that.

4) Title VI Members and Those Who Will Sign for the Grant - Approval Item

Since no parents attended the meeting, it was suggested that a second email go out, specifically asking for parent involvement in joining the committee. Furthermore, it was suggested that Lisa Sandoval be the tribal representative.

5) Other

The main suggestion was having a special event at the beginning of the school year where we could handout backpacks and school supplies for the Native American students.

6) Schedule Public Hearing

The public hearing where further input will be heard from the parents and Native American community will be held on Wednesday, May 5, 2021 at 4:00.
