Passcode: 123456

Agenda and Minutes

1) Call to Order

Present: LaMonica Claw, Steve Doerksen

2) Results of the Annual Assessment regarding the extent to which Indian children participate on an equal basis with non-Indian children in the District's education program and activities. [34CFR222.94(a)(3)]

Mr. Doerksen showed the results of Native American participation in the various school programs such as athletics, tutoring, mountain biking club, etc.

3) Discussion on the Results of the Annual Assessment

We would like to see more Native American students participate in the various activities and programs. It was suggested that at the beginning of next year there could be a Native American parent meeting along with Native American students. At this meeting the various clubs, activities, and educational programs could be highlighted. This could encourage more Native American involvement and participation.

We also discussed another activity such as a zoo trip, museum trip or something like that during summer school. Mr. Doerksen will look into that.

The meeting was adjourned.
