Welcome to Fourth Grade

Fourth grade is an exciting year! Our first day of school is Thursday, August 5th. Fourth grade is also a year of transition. Students receive letter grades and are eligible for the school honor roll. Each quarter increases in difficulty and pupil responsibility. Our goal is to decrease the student's dependence on teachers and parents by having each student take on more responsibility in remembering their assignments and staying organized.

Some of our academic goals include mastery of multiplication facts through twelves, memorizing basic measurements/conversions, increasing reading comprehension and fluency(speed), as well as improving writing skills. We expect students to read every evening.

Communication is imperative. We will be contacting you via email and phone. If you need to contact your child or us during school hours or you need an immediate answer or need, please call the office and they will reach us. You can also email us, and we will get back to you as soon as possible. Here are our emails:

bislas@cjsd3.net

kdensmore@cjsd3.net

Some of the exciting fourth grade learning experiences may include Project Wet Water Festival at Dead Horse Ranch State Park and live theatrical performances at Yavapai College. Our annual cookie dough sale and the Arizona State Tax Credit Program fund help cover the costs of our field trips. Be sure to have your family and friends sign up to designate their tax credit to the fourth grade field trips.

We are both looking forward to working with you and your child. We will see you soon.

Sincerely,

Kim Densmore & Brandon Islas
