4/27/22 NAEC Meeting Notes

Welcome/Introductions

Mrs. Westcott welcomed the group

Title VI Allocations and Program Discussion-Superintendent Brown

Mr. Brown presented the Title VI grant proposal. We have a little over \$12k for next year. He proposed we use the money for Native American after school programs and to hire a 19 hour paraprofessional to be used strictly for Native American students. The committee agreed-scheduled upcoming meeting for 5/4/22 to share with NA parents and families that could not attend today's meeting.

River Trip

Students are leaving starting May 2nd (boys). All Native American students have items they need-Lisa Sandoval @ Learning Center is helping to gather supplies for students.

Graduation

Invitations will go out to all students. Cindy Eaton will bring awards for Native American students on Monday, 5/2/22.

Summer School

All Native American students are invited to attend summer school this year. We will contact MUHS to look at options for the incoming freshman to attend summer school at MUHS.
