

9/21/22
NAEC Meeting
@ 3:15 in CJSD Library

1. Welcome

Present: Madisen Westcott, Jesse Kennen, Beth Scott, Lamonica Claw, Merchelle Jackson and Patrice Mockta

2. Tutoring Update

Tutoring is going well on Tuesday and Thursdays. Mr.Kennen has been able to have two NA tutoring sessions at the learning center this month. The learning center is closed this week and JOM tutors are out due to a NA conference.

3. Native American Club Update

Ms.Monique has the club in full swing. The club has met twice. Planning on some fun activities for the future and working on getting parent permission for students to watch a documentary related to Native American students in school.

4. Additional After School Clubs

CJSD is looking to add additional afterschool clubs starting 2nd quarter for more students to be involved. A chess club and interact club are in the works.

5. Attendance Incentive

Ms.Monique and Mrs.Westcott are working on an incentive program for students who have struggled with attendance and tardies. The main goal is to cut down on student tardies to no more than 3 tardies a quarter, as we had several students over 10 tardies in a quarter. When students come late to class, they are missing out on important instructional time and also causes a disruption to the learning flow in the classroom.

6. Upcoming Events

Warrionettes dancers will be performing an assembly at CJSD for students and staff on 9/28, time TBD. Cindy Eaton is helping organize.
